PQMD members played an active role in relief efforts following devastating floods left by Hurricane’s Harvey, Irma, and Maria.

The Partnership for Quality Medical Donations

The Partnership for Quality Medical Donations (PQMD) is a unique alliance of non-profit and corporate organizations committed to bringing measurable health impact to under-served and vulnerable people through active engagement with global partners and local communities.

Through five integrated pillars of work, we envision and act towards a higher standard of excellence in medical product donations and health care service delivery, so that geography and economic status are no longer barriers to everyone living a healthier life.

In the past year, our members:

○ Worked in every region of the world, reaching over 180 countries
○ Provided healthcare aid & access to upwards of 50M people around the world
○ Engaged 120,000+ volunteers across more than 344 emergencies, domestic and international

In 2017 members responded to many needs, including the devastation left by Hurricane’s Harvey, Irma, and Maria, as well as the East Africa Famine, flooding and mudslides in Sierra Leone, and the continued needs of the Syrian refugee crisis.

*membership as of January 1, 2018
** Merck & Co., Inc., Kenilworth, N.J., USA. Merck is known as MSD outside of the United States and Canada
**Five Pillars Of PQMD**

**DONATION GUIDELINES**
The “PQMD Guidelines for Quality Medical Product Donations” are a set of guidelines which are rigorously updated on an annual basis for health supply and service donation across the globe. This document is the foundation of the partnership and details the mission to influence and assure high standards in healthcare donations.

**HUMANITARIAN ASSISTANCE**
PQMD members donate and deliver hundreds of millions of dollars’ worth of medical products and services each year for humanitarian assistance in the U.S. and around the world. The PQMD network encourages cooperation between members and their partners to assist the communities and individuals most in need.

**DISASTER RESPONSE**
When a catastrophe strikes, PQMD members are among the first to respond with health-saving contributions, with short-term emergency aid to communities, and to initiate the processes of rebuilding healthcare infrastructure. Building on their strong working bonds, PQMD members are able to address the complex logistics of any situation efficiently and effectively, ensuring that the health needs of disaster-affected populations are quickly met.

**HEALTH SYSTEMS STRENGTHENING**
Current members are recognized as leaders in their industry or field of practice. PQMD is optimally positioned to advance service delivery, to disseminate health workforce information, and to develop, donate, and deliver medical products and technology to build resilience and empower communities.

**KNOWLEDGE AND INNOVATION**
As a unique collaborative effort, PQMD members consistently share best practices in the medical donations field. PQMD initiates studies to better understand issues, activities, and trends regarding medical donations as well as hosting educational forums for members and non-members to engage and share ideas related to donation practices, health system strengthening, and disaster response.

**Benefits Of PQMD Membership**

**PQMD IS THE LEADING ASSOCIATION FOR CORPORATIONS AND NON-PROFITS CONCERNED WITH IMPROVING THE STANDARDS OF DONATING AND DELIVERING HEALTH PRODUCTS AND SERVICES ON A GLOBAL SCALE.**

**AFFILIATION WITH REPRESENTATIVES OF LEADING CORPORATE AND NON-PROFIT ORGANIZATIONS**
Members of PQMD become part of a community of practice populated by highly respected organizations. Member representatives are experts in their fields and work in collaboration to share experience and knowledge. Members learn from each other in a trusting and confidential environment.

**RECOGNITION AS A MEMBER OF A GLOBAL HEALTH AUTHORITY**
PQMD is a recognized thought leader in the field of medical product donations. The “PQMD Guidelines on Quality Medical Donations” were developed and are maintained in concert with the World Health Organization’s (WHO) “Inter-agency Guidelines for Medicine Donations.” Additionally, PQMD is accredited by the American National Standards Institute (ANSI) as a “Standards Development Organization.”

**MANAGEMENT OF THE PQMD GOVERNANCE STRUCTURE**
PQMD is a member-driven organization. As Directors or participants in any of eight standing or other ad hoc Board Committees, member representatives have many opportunities to provide leadership in developing and implementing PQMD policies and programs.

**ENGAGEMENT IN STRENGTHENING BEST PRACTICE GUIDELINES**
Through service on the PQMD Board of Directors and work on Board Committees, member representatives have the opportunity to share experiences and knowledge that help to shape and strengthen PQMD’s Guidelines on best practices for donation and delivery of medical products and services.

**ACCESS TO ONGOING KNOWLEDGE-BUILDING ACTIVITIES**
Knowledge-building is a key activity for PQMD. Member representatives have numerous opportunities to participate in educational forums, informational webinars, committee meetings, and other data-sharing activities. Members have unlimited use of members only and open use resources to help them stay abreast of changes in the field, explore emerging issues, and gain other valuable insight to support them as they work inside their own organizations and with other members of PQMD.

**ENHANCED PROGRAMMATIC LEVERAGE AND IMPACT**
The relationships that member representatives of PQMD build become partnerships that enable their respective organizations to collaborate, leveraging their strengths for increased impact on beneficiaries and clients.

**KEY ROLE IN COORDINATING DISASTER MANAGEMENT RESPONSE**
PQMD members play a critical role in responding to disasters, both in the US and abroad. Member representatives share up-to-date disaster response information with each other and help to coordinate their organizational responses efficiently and effectively.

*“PQMD has established the gold-standard for medical donations around the world. They have uniquely brought together the preeminent thought leaders from both the manufacturing and the NGO sides of the discussion to create a thoughtful, logical framework for helping people and not creating harm through our charitable efforts. Anyone looking carefully at PQMD will agree that their work is far and away the “go-to” in the humanitarian sector.”*

Dr. Douglas Jackson, President & CEO of Project C.U.R.E.

*“We at Henry Schein understand that meeting the health challenges facing our society can only occur when networks like PQMD bring together like-minded organizations that are committed to combining their efforts, expertise, and experience for the benefit of communities in need.”*

Stanley M. Bergman, Chairman of the Board and Chief Executive Officer of Henry Schein, Inc.

*“HP has shipped over 1.1m treatments of long dated medicines and supplies to partners on the ground in Iraqi Kurdistan, who is hosting over two million displaced people and refugees.”*

*“AstraZeneca provides free medicine to postmenopausal breast cancer patients through the Cambodia Breast Cancer in Phnom Pen, Cambodia.”*
Five Pillars Of PQMD

DONATION GUIDELINES
The “PQMD Guidelines for Quality Medical Product Donations” are a set of guidelines which are rigorously updated on an annual basis for health supply and service donation across the globe. This document is the foundation of the partnership and details the mission to influence and assure high standards in healthcare donations.

HUMANITARIAN ASSISTANCE
PQMD members donate and deliver hundreds of millions of dollars’ worth of medical products and services each year for humanitarian assistance in the U.S. and around the world. The PQMD network encourages cooperation between members and their partners to assist the communities and individuals most in need.

DISASTER RESPONSE
When a catastrophe strikes, PQMD members are among the first to respond with health-saving contributions, with short-term emergency aid to communities, and to initiate the processes of rebuilding healthcare infrastructure. Building on their strong working bonds, PQMD members are able to address the complex logistics of any situation efficiently and effectively, ensuring that the health needs of disaster-affected populations are quickly met.

HEALTH SYSTEMS STRENGTHENING
Current members are recognized as leaders in their industry or field of practice. PQMD is optimally positioned to advance service delivery, to disseminate health workforce information, and to develop, donate, and deliver medical products and technology to build resilience and empower communities.

KNOWLEDGE AND INNOVATION
As a unique collaborative effort, PQMD members consistently share best practices in the medical donations field. PQMD initiates studies to better understand issues, activities, and trends regarding medical donations as well as hosting educational forums for members and non-members to engage and share ideas related to donation practices, health system strengthening, and disaster response.

Benefits Of PQMD Membership

PQMD is the leading association for corporations and non-profits concerned with improving the standards of donating and delivering health products and services on a global scale.

AFFILIATION WITH REPRESENTATIVES OF LEADING CORPORATE AND NON-PROFIT ORGANIZATIONS
Members of PQMD become part of a community of practice populated by highly respected organizations. Member representatives are experts in their fields and work in collaboration to share experience and knowledge. Members learn from each other in a trusting and confidential environment.

RECOGNITION AS A MEMBER OF A GLOBAL HEALTH AUTHORITY
PQMD is a recognized thought leader in the field of medical product donations. The “PQMD Guidelines on Quality Medical Donations” were developed and are maintained in concert with the World Health Organization’s (WHO) “Inter-agency Guidelines for Medicine Donations.” Additionally, PQMD is accredited by the American National Standards Institute (ANSI) as a “Standards Development Organization.”

MANAGEMENT OF THE PQMD GOVERNANCE STRUCTURE
PQMD is a member-driven organization. As Directors or participants in any of eight standing or other ad hoc Board Committees, member representatives have many opportunities to provide leadership in developing and implementing PQMD policies and programs.

ENGAGEMENT IN STRENGTHENING BEST PRACTICE GUIDELINES
Through service on the PQMD Board of Directors and work on Board Committees, member representatives have the opportunity to share experiences and knowledge that help to shape and strengthen PQMD’s Guidelines on best practices for donation and delivery of medical products and services.

ENHANCED PROGRAMMATIC LEVERAGE AND IMPACT
The relationships that member representatives of PQMD build become partnerships that enable their respective organizations to collaborate, leveraging their strengths for increased impact on beneficiaries and clients.

KEY ROLE IN COORDINATING DISASTER MANAGEMENT RESPONSE
PQMD members play a critical role in responding to disasters, both in the US and abroad. Member representatives share up-to-date disaster response information with each other and help to coordinate their organizational responses efficiently and effectively.

ACCESS TO ONGOING KNOWLEDGE-BUILDING ACTIVITIES
Knowledge-building is a key activity for PQMD. Member representatives have numerous opportunities to participate in educational forums, informational webinars, committee meetings, and other data-sharing activities. Members have unlimited use of mewmbers only and open use resources to help them stay abreast of changes in the field, explore emerging issues, and gain other valuable insight to support them as they work inside their own organizations and with other members of PQMD.

“We at Henry Schein understand that meeting the health challenges facing our society can only occur when networks like PQMD bring together like-minded organizations that are committed to combining their efforts, expertise, and experience for the benefit of communities in need.”
Stanley M. Bergman, Chairman of the Board and Chief Executive Officer of Henry Schein, Inc.

“AstraZeneca provides free medicine to postmenopausal breast cancer patients through the Cambodia Breast Cancer in Phnom Penh, Cambodia.

“PQMD has established the gold-standard for medical donations around the world.
