

BENEFITS OF MEMBERSHIP

STANDARD SETTING

As a recognized thought leader in the field of medical product donations, PQMD is accredited by the American National Standards Institute (ANSI) as a “Standards Development Organization.” Through service on the PQMD Board of Directors, Committees and organized discussions, member representatives share experiences and knowledge that help to shape and strengthen PQMD’s Guidelines on best practices for donation and delivery of medical products and services.

OUR MISSION

PQMD is a global collaboration that promotes sustainable access to quality health care in underserved communities and populations in crisis.

OUR VISION

A world in which there is universal access to health and well being.

KNOWLEDGE BUILDING

PQMD provides members with education programs, forums, webinars, committee meetings, other data-sharing activities, as well as unlimited use of members-only and open use resources to stay current on changes in the field, explore emerging issues, lessons learned and other valuable insight to support them as they work inside their organizations and with other PQMD members.

**Complimentary Education Courses | Annual Forums
Pillar Talk Webinars | Committee Participation | Workshops
Data Sharing | Benchmarking
Measuring for Success M&E Program | Leadership Development**

Empowering committed organizations to maximize the impact of their donation programs through the power of cross-sectoral partnerships.

“PQMD offers **critical insights and actionable information** that helps my team make informed decisions when responding to global humanitarian disasters and crises. Membership **also provides invaluable opportunities to engage with and learn from a network of leading humanitarian NGOs and peers** who coordinate to advance global health outcomes.”
