

BENEFITS OF MEMBERSHIP

STANDARD SETTING

PQMD is a recognized thought leader in the field of medical product donations. PQMD is accredited by the American National Standards Institute (ANSI) as a "Standards Development Organization." Through service on the PQMD Board of Directors and working Committees and discussion participation, member representatives have the opportunity to share experiences and knowledge that help to shape and strengthen PQMD's Guidelines on best practices for donation and delivery of medical products and services.

**Donation Guidelines • Medical Mission Guidelines
Rare Disease Guidelines • Self Certification • PQMD Governance
Recognition as a Member of a Global Health Authority**

NETWORKING & CONVENING

Member representatives are experts in their fields who are able to share their experience and knowledge in a trusting and confidential environment. Member relationships build partnerships that enable their organizations to leverage their strengths and maximize their impact. PQMD facilitates a variety of opportunities for members to convene, collaborate and catalyze, including annual forums, monthly coffee chats, emergency disaster calls and exclusive Community of Practice resources and discussions.

**Coffee Chats • Sector Meetings • Disaster Coordination Calls
Pillar Talk Webinars • Workshops • Committee Meetings • Global Health
Policy Forum • Collaboration & Learning Forum • Community of Practice**

KNOWLEDGE BUILDING

Member representatives have numerous opportunities to participate in education courses, forums, webinars, committee meetings and other data-sharing activities as well as unlimited use of members only and open use resources to help them stay abreast of changes in the field, explore emerging issues, lessons learned and other valuable insight to support them as they work inside their own organizations and with other members of PQMD.

**Complimentary Education Courses • Forums • Pillar Talk Webinars
Committee Participation • Workshops • Data Sharing • Benchmarking
Measuring for Success M&E Program • Leadership Development**

OUR MISSION

PQMD is a global collaboration that promotes sustainable access to quality health care in underserved communities and populations in crisis.

OUR VISION

A world in which there is universal access to health and well being.

Empowering committed organizations to maximize the impact of their donation programs through the power of cross-sectoral partnerships.

“PQMD offers **critical insights and actionable information** that helps my team make informed decisions when responding to global humanitarian disasters and crises. Membership **also provides invaluable opportunities to engage with and learn from a network of leading humanitarian NGOs and peers** who coordinate to advance global health outcomes.”
