FOR IMMEDIATE RELEASE

PQMD Welcomes Philips as a New Corporate Member, Strengthening Collective Impact Across Global Health and Development

Annapolis, MD – February 26, 2026 - The Partnership for Quality Medical Donations (PQMD) is proud to announce that Philips has joined the PQMD network as a corporate member, reflecting their strong and shared commitment to advancing responsible, high-quality, and sustainable medical donation practices worldwide.

As a global health technology leader, Philips brings deep expertise in innovation, patient safety, sustainability, and systems-level impact across healthcare delivery. Their decision to join PQMD highlights a shared dedication to improving health outcomes while advancing environmental stewardship, social responsibility, and good governance across the global health ecosystem.

“We are thrilled to welcome Philips to the PQMD network,” said Elizabeth Ashbourne, Executive Director of PQMD. “Philips’ leadership in advancing sustainable healthcare solutions closely aligns with PQMD’s mission and values. We look forward to learning alongside Philips and collaborating to further elevate quality, accountability, and impact across medical donation and global health efforts.”

Through its membership in PQMD, Philips will engage with a diverse network of nonprofit, corporate, and institutional partners dedicated to strengthening medical donation practices, improving access to quality healthcare products, and advancing shared learning across the global health and development sector.

PQMD looks forward to collaborating with Philips to advance shared priorities around quality, sustainability, and impact - and to learning from their global leadership as the partnership continues to grow.

###

About PQMD

The Partnership for Quality Medical Donations (PQMD) is a leading international alliance of organizations committed to advancing responsible, high-quality medical donations to improve access to quality health care in underserved communities and populations in crisis. Through shared standards, collaboration, and learning, PQMD works to strengthen medical donation practices and promote sustainable, ethical global health engagement.
