

PQMD Welcomes UPS HEALTHCARE as Newest Corporate Member

Annapolis, MD – July 20, 2026 - The Partnership for Quality Medical Donations (PQMD) is proud to announce that UPS Healthcare has joined the PQMD network as a corporate member, reflecting a shared commitment to strengthening global health systems and improving access to quality healthcare worldwide.

As one of the world's leading logistics and transportation companies, UPS Healthcare brings extensive expertise in global supply chains, transportation management, warehousing, distribution, and healthcare logistics. Through its innovative solutions and expansive global network, UPS Healthcare helps organizations move critical products efficiently, reliably, and safely across borders and communities around the world.

“We are thrilled to welcome UPS Healthcare to the PQMD network,” said Elizabeth Ashbourne, Executive Director of PQMD. “Effective logistics are fundamental to ensuring that health products reach the communities that need them most. Their experience navigating complex global delivery networks to move critical products around the world will be an incredible asset to our membership.”

Through its membership in PQMD, UPS Healthcare will engage with a diverse alliance of nonprofit, corporate, and institutional partners dedicated to advancing responsible practices, strengthening healthcare supply chains, and improving access to quality healthcare products in underserved communities and populations affected by crisis.

“At UPS Healthcare, we see every day how important resilient supply chains are to getting critical healthcare products to people who need them,” said Kiel Harkness, VP of Strategy and Marketing, UPS Healthcare. “I’m excited to join the PQMD network, learn from fellow members and contribute our healthcare logistics expertise in support of stronger, more accessible healthcare systems around the world.”

PQMD looks forward to welcoming UPS Healthcare’s expertise and engagement as we advance shared priorities around access, quality, resilience, and impact – and leverage the power of collaboration to strengthen healthcare delivery worldwide.
